Please take a seat....

Many of you will have seen the start of our exciting redevelopment project of Big School with the new theatre curtains, the installation of new lighting, improved sound proofing. Our next phase is the introduction of smart, comfortable seating for use throughout the hall. Open to everyone and to celebrate this, leading up to the 50th anniversary of Big School, we are launching a Take A Seat(s) campaign of commemorative opportunities.

Naming a seat is a personal way for you to support Blundell's. Whether in your own name, in memory of a loved one or as a gift for someone special, to honour all of your family that were educated at Blundell's, recognition of your family name's affinity with Blundell's, your children, or a homage to someone who has inspired you, to promote your business – the possibilities are endless. Your donation will enable us to continue to build our Peter Blundell Foundation Bursary provision to enable children to secure a Blundell's education who would normally be precluded from doing so.

A gift of just £75 for each chair will be acknowledged by a plaque, fixed to the back of a seat for its lifetime, inscribed with a name and/or message of your choice (maximum 30 characters). Your support will also be recognised on our website (unless you wish to remain anonymous). We will invite all supporters to a special anniversary celebration reception in the early part of 2018.

If you would like to Take A Seat or find out more, please contact Amber Oliver on 01884 232324 a.oliver@blundells.org

Purchase a seat by filling out the form opposite and mailing it with your donation.

Recognition will be on a seat and also on the website.

Why Should I Sponsor?

- Named plaque for the lifetime of your seat and online
- Share your memories of Blundell's via your own profile page
- Join a network of dedicated Blundell's supporters
- Be remembered in the School's Roll of Honour

Help transform a child's educational experience enabling them to benefit from all that an education at Blundell's School has to offer.

Despite the generosity of many of our existing supporters, Blundell's still has limited additional resources to help provide an education to those who would most benefit, which restricts the level of assistance we are able to offer. Thus many deserving children do not secure a place because of financial circumstances. Our long term aim is to extend the funding to increase the availability of Foundation places.

These pupils add hugely to the life of the School and enrich the experience of those around them. Please help us to widen our reach and support us in our intent to increase our ability to provide assistance. Your gift would be an investment in the lives of young people, whose growth, development and ability to face the challenges of the path ahead will be significantly enhanced by the 'Roots and Wings' ethos emphasised so strongly at Blundell's.

Big School

Big School was built in 1967 and opened by The Queen Mother. Many of you will have spent time in the Hall either as a pupil, member of staff, current or former parent or supporter watching or participating in a whole host of varying activities, events and performances. It has long been at the heart of cultural and community life at Blundell's and is a much loved focal point for pupils, past, present and future.

Since the establishment of Blundell's School in 1604, funded by the generous bequest of Peter Blundell, the School has been supported generation upon generation by Old Blundellians, parents, friends and the wider Blundell's Community. Their many gifts, large or small, cash or gifts in kind, legacies, have allowed us to provide an ongoing outstanding educational environment. We know that our community would like to continue supporting the School. We are able to ensure tax efficient giving for any donations, stocks and shares, corporate sponsorship, gifts in wills because of our Charitable Status; if you would like to know more, please contact Amber Oliver a.oliver@blundells.org 01884 232324
